What Motivates Generosity?

It can be hard to see the challenges that many families with children in our community face. The reality is that approximately 35% of Indian River County households struggle to meet basic needs. Furthermore, more than half of children in Florida have lived in households experiencing financial hardship.

The Boys & Girls Club of Indian River County's mission is to inspire and enable all young people, especially those who need it most, to realize their full potential as productive, responsible, and caring citizens. They do this by providing after-school and summer programs, life skill learning, and scholarships for career development.

Thankfully, generous financial support and volunteer hours from SpirePoint Private Client and our clients helps organizations such as the Boys & Girls Club of Indian River County give every child the best opportunity to succeed.
